## When Last We Met

**Dan Sclare**  
reveals **Roger**  
**Cisowski's**  
Valentine's Day  
"card."

**Rick St. Pierre** did a trick with the red queens. Two spectators each took a card, which went into the deck followed by the queens. The queens got completely lost, but the chosen cards were found.

**Roger Cisowski** got **Henry Andrezcyk** to assist. Henry pointed to a card and changed its back from blue to red.

**Steve Wronker** took a hanky with a heart design and caused the design to turn into candy conversation hearts.

**Pat Guida** asked our newest member, **Jon Cap**, to pick a two-digit number. The card that was at that number in a shuffled deck matched a prediction Pat had made earlier.

**Dan Sclare** showed us five cards that had different love symbols. Dan had Roger pick one, then mix it back with the others. Through ESP, Dan was able to determine which card Roger had chosen. He then had a card chosen from a blue deck. The spectator then blew a kiss at the deck, which caused the chosen card to blush, becoming red, and sporting a kiss-mark on its face.

Henry closed the evening by doing some telekinesis with a red handkerchief.
