April Meeting: Impromptu Magic

It looks like the snow is finally gone, and spring is here at last. With all the spring cleaning you're probably doing, there's no time to set up an elaborate illusion so let's just wing it! Perform an effect that you can do on the spur of the moment. Be prepared for anything on **April 14**. Meeting starts at **7:00 PM**; join the officers for dinner at 6 PM.

From The President's Hat

As I write this on March 27th Spring has not sprung. I need some warm weather!

By the time you read this I should be back from the Oceanside Magic Invitational. It looks like it will be a great convention. I am so looking forward to going and helping out back stage for the evening shows. I hope to see some of you there. <http://www.oceansidemagic.com>

If you did not attend NEMCON you missed a great convention and a chance to see our friend David Oliver back on stage. He was fantastic. David really appreciates the support we have given him and thanked us at NEMCON.

I hope you enjoyed our March meeting with David Haversat as much as I did. S.A.M. 21 has a rich history. David did a wonderful job sharing his knowledge of magic history and magical apparatus. Check out his website. <https://haversatewing.hibid.com/auctions/current>
