January Meeting: Bubble Magic

Our home for the past eleven years is undergoing renovations. We hope to be back there in a couple of months, but until then we need a new place for February and probably March as well. This month we shift the meeting's time and place to **January 17 at 7PM** at the **Radisson Hotel** in Cromwell, CT. See page two for the details!

Minutes of November Meeting

13 November 2017 7:17 PM
Pres. **Dan Sclare** presiding.
Secretary's report approved as published.
Treasurer's report submitted.
Old Business: none this month.
New Business: Dan put out the call for a venue to do a public show. Any suggestions should be sent to him. Ideas for lectures are also welcome. **Sandy Rhodes** has 3 on tap—he doesn't charge for the lectures, but he sells the notes.
Good&Welf.: **Charlie Hayden** did his first show since his recovery this weekend and did sell. There was a magic show at the restaurant this weekend and it also went well.
There should be a decision made on the status of the restaurant this week.
Angelo Chirico was presented with a full Tarbell Course, courtesy of **Walt UMBERFIELD** cleaning out his basement. He was also given a Presidential Citation from **Dick Bowman**. Dan gave him, on behalf of the club, a handcrafted wand-and-case from **Tony Karpinski**. The group gave him a standing ovation.
November 26 will be the last Magic Monthly Show
Adjourned: 7:37 PM.

When Last We Met

Angelo Chirico gets an award.

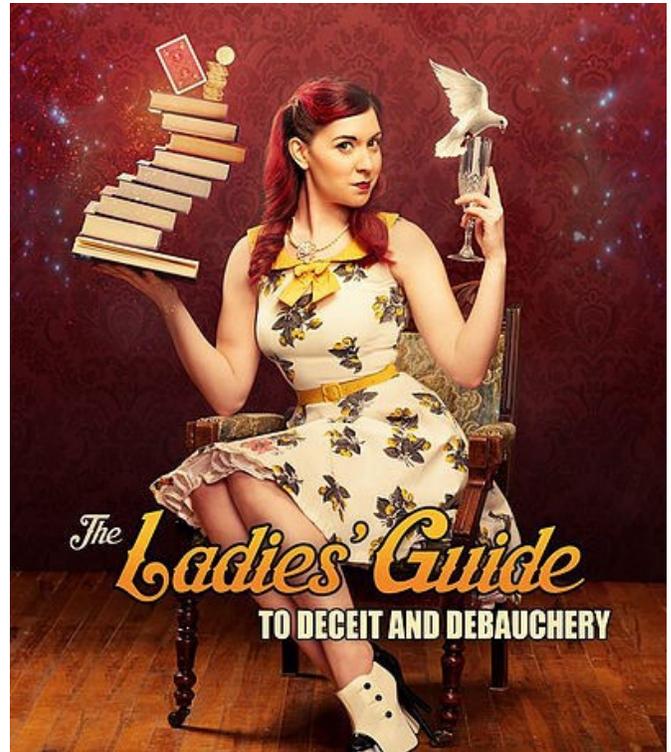

Tonight's theme: Transposition effects.

Angelo chose a card which suddenly appeared between Dan's red kings.
Tom Gentile produced from an empty box, several silk banners with the names of Angelo's wonderful qualities.
Bob Hale performed a version of Prof.'s Nightmare, with a theme of equality. However, for his climax, he had one very long rope at the end.
Jon Cap and **Brad Beebe** did a double act: each had someone choose a card from their deck (blue vs. red) and sign it. In a flash, the signed cards appeared in the other deck.
Raymond Beaulieu got **Marlene Clark** up to

Meeting Minutes, continued

help and borrowed her ring which was placed on a string. The ring vanished from the string and was found in a card case that was sitting on another table.

Dan ended the night sharing a video he worked on in his town to help a local library obtain a grant.

Bubble Tech 2.0

A lecture by Carisa Hendrix

Bubble Science: A full explanation of the surprising science behind how bubbles work and ways to use that information to your advantage.

Tricks: An almost insane amount of cool bubble tricks and effects that you will have the chance to try out yourself.

An Exploration of Bubble Solutions: Try out a number of different solution mixes and see for which you prefer for each type of effect.

Thinking Outside the Bubble: How to create a bubble routine that will fit with your character and your show.

Wednesday, Jan. 17th at 7:PM

Radisson Hotel
100 Berlin Rd., Cromwell
(the NEMCON hotel)

Not a member of CCMA or Assm. 127? The lecture is only \$10.00

Please spread the word.
